<b>6. ISSUES RELATED TO PROPERTY, LAND, AND AGRICULTURE</b>				
	<u>Issues:</u> 1. Sign posts to my farm are so far off the road that most drivers miss the turnout and have to travel all the way down to Seymour and all the way back again to find my turnout. Unacceptable situation.  2. Trees line the road in many places and are hindering traffic and after frequent snowfalls block the road.	Chris Purdon	Reply and Comment Sheet (Received 3 February 2015)	
	<u>Comment:</u> Galla Hills dairy has applied for cattle creeps to be installed in three different locations to alleviate cattle crossing the tar road to Peninsula dairy.	Steve Moss	Reply and Comment Sheet (Received 18 March 2015)	
	<u>Issue:</u> Cutting and trimming of trees lining property roadside fence is not negotiable	Kohza	Spoke to Kohza in person on his farm on 18 March 2015	
	<u>Issue:</u> Pipelines and cattle crossings are to be considered as we farm on both sides of the road and move stock and farm equipment between farms daily which is a danger to traffic.	Edgar Brotherton	Email response received on 5 February 2015	
<b>7. ISSUES RELATED TO PRE-CONSTRUCTION PHASE (SURVEYING, PLANNING ETC.)</b>				
	<u>Issue:</u> Taking of property photographs by engineers during road surveys disturbing	Kohza	Spoke to Kohza in person on his farm on 18 March 2015	
<b>8. ISSUES RELATED TO CONSTRUCTION PHASE</b>				
	<u>Questions:</u> 1. What happens to old fencing material?	Andrew Brown	Reply and Comment Sheet (Received 2
